- Ruth L. Berkelman, M.D.
- Stephen V. Cantrill, M.D.
- Roberta Carlin, M.S., J.D.
- Albert J. Di Rienzo
- Kenneth L. Dretchen, Ph.D.
- John D. Grabenstein, R.Ph., Ph.D.
- James J. James, Brigadier General (Retired), M.D., Dr.PH., M.H.A.
- Thomas J. MacVittie, Ph.D.
- John S. Parker, Major General (Retired), M.D.
- Andrew T. Pavia, M.D.
- Eric A. Rose, M.D.
- Patrick J. Scannon, M.D., Ph.D.

NBSB Working Groups

- 1. Disaster Medicine**
- 2. Medical Countermeasures Markets & Sustainability**
- 3. Medical Countermeasures Research & Development Processes**
- 4. Pandemic Influenza**
- 5. Personal Preparedness**

**Subcommittee Reporting to the NBSB:
Disaster Mental Health Subcommittee**

NBSB Activities to Date

- **Made recommendations regarding the charter of the Federal Education and Training Interagency Group—critical to the establishment of the Joint Federal Program for Disaster Medicine and Public Health.**
- **Made recommendations for strengthening the National Disaster Medical System and medical surge capacity; and for improving the Department's response to the mental health impacts of disasters.**
- **Considered issues of individual preparedness including diverse viewpoints on the home stockpiling of antibiotics for use in the event of an anthrax release.**
- **Engaged federal partners and industry stakeholders in discussions of alternate strategies for the sustained development and production of medical countermeasures necessary to mitigate the devastating effects of a potential chemical, biological, radiological, or nuclear public health incidents.**
