

HHS Interagency Influenza Task Force 2011-2012 Influenza Season

NVAC September 13, 2011

Shary M. Jones, PharmD, MPH
National Vaccine Program Office

Purpose

Bolster and extend HHS' efforts on universal flu coverage by coordination and synergy of the entire Department

- Led by Assistant Secretary for Health
- Opportunity to address short-term and long-term policies and programs related to seasonal influenza vaccine use
- Representation from across HHS: CDC, CMS, FDA, NIH, HRSA, OMH, Partnership Center, AoA, ACF, OWH, IHS, FOH, and Regional Health Administrators
- Leveraged department resources in key areas

Goals

- Reduce barriers
- Improve access
- Provide outreach and education
- Raise awareness
